From (Name) W.G. Dyson Esq., I.F.S.,

(Designation) Chief Conservator of Forests.

Addl.,

To The Secretary to the Government of Madras,

Development Department.

Sir,

log (A) page 11

With reference to G.O.No.1054 Ms., Development, dated the 31st August 1933, I submit the following report on the special forest concessions allowed in the South Kanara division during 1942.

2. The working of the concessions was, on the whole, satisfactory except in the case of the following reserves, in which the concessions were abused:-

Puttur Range: (i) Aivernad,
(ii) Kalanjimale,
(iii) Veerakambha. and

and Uppinangadi Range:
(i) Kidu,
(ii) Kunthur
(iii) Mundajo-kap
(iv) Dondakrabi.

la 1

Kalanjimale has been closed to all concessions since the 1st April 1939 and in spite of this, indiscriminate

~~working~~

hacking was carried on by the villagers. In Veerakambha Reserve too, which was closed in April 1941, abuse chiefly in respect of felling green branches of trees for manure leaves and fuel continued. Attempts made by the Conservator of Forests, the Working Plan Officer and the District Forest Officer's Assistant to ensure co-operation of the villagers concerned in the better protection of forests have been fruitless. The District Forest Officer has proposed that Kalanjimale and Veerakhamba Reserved Forests should continue to be closed to all concessions for a further period of one year from the 1st April 1943 and both the Collector and the Conservator support the proposal. I accordingly recommend the closure for a further ~~xxxxx~~ year.

The abuse in the Aivernad Reserve of the Puttur Range, and in the Kidu, Kunthur, Mundajo-kap and Dondalar-abi Reserves of the Uppinangady ~~xxxxxxxxxx~~ range is not such as to justify the withdrawal of the concessions. The District Forest Officer will be instructed to warn the villagers concerned.

3. I enclose a list of coupes which have to be closed to the concessions on silvicultural grounds and coupes which were closed in previous years and which will now be opened.

4. The first three concessions approved in G.O. No.1211 Ms., Development, dated the 10th May 1938, were enjoyed by the ryots to some extent and with little abuse. These concessions may be continued in 1943-44.
